Oak	96%
Whole School	95%

School News

We have completed our first full week of the autumn term. There were lots of tired children in assembly this afternoon! Children have settled into their new classes and I have been impressed with how children are focussing on their learning and impressing their class teachers. Children also look very smart in their school uniform and PE kits. Keep up the hard work!

We are delighted to welcome the new Robin Reception families who started school this week. Our 'old' Nursery children have also returned and new Nursery children are joining us every day. A very warm welcome to all the new families who have joined Sullivan.

We will be holding our class meetings next week. These meetings are an opportunity for you to meet your child's class teacher and spend some time with your child in a stay and learn session. There will also be a class meeting where you will be given information about the class timetables and what your child will be learning this year. Please do join us for a cup of tea or coffee and to pick up any necessary information. For everyone's safety please enter through the main entrance so that we can sign everyone in.

The autumn term topic for the whole school is a history focus – Once Upon a Time. The children are excited about their first school trips of the year. I am looking forward to hearing about year 3's visit to Fulham Palace. I am looking forward to seeing some Ancient Greek children in Year 4, Victorian children in Year 5 and what happens on Evacuee Day in Year 6. All the children are learning gymnastics in their PE lessons and working towards a House competition at the end of half term.

There are lots of opportunities to attend after school clubs this term. Some are full already so make sure you sign up soon. Clubs start on **Monday 16th September. Please collect your child from the playground at 4:30pm.**

Please see the attached diary dates for Autumn 1 2019. It is a very busy time!

The PTA held their first meeting and AGM this morning. Officers and committee members were elected and plans for the year discussed. More news coming soon.

Enjoy the sunshine and have a wonderful weekend.

Miss Aldridge
