Oak	96%
Whole School	97%

School News

Our **Harvest** assembly this afternoon started with the school councillors presenting all the food contributions that the children had brought in to school. We have collected a huge amount of food items for the Fulham Foodbank.

Thank you very much for your donations. They will be delivered next week.

The assembly filled us all with autumnal cheer! Thank you to Mrs Critchley for organising and teaching the songs – the children sang beautifully. It was wonderful to hear Innes and Phoebe play the flute and Mia, Kensal and Alma play the piano. The children are already impressing us with their musical ability this term.

CHELSEA at Sulivan!

Last Friday we celebrated Black History Month with a special assembly for KS2 supported by Chelsea Football Club. The children are going to take part in a poetry competition with an amazing prize. Let's hope someone from Sulivan will win!

The girls in Year 5 celebrated International Day of the Girl at Chelsea club on Tuesday. Miss Bradley and Miss Gigg watched the girls take part in a range of exciting activities to promote girls in sport. They were very impressed with their enthusiasm!

**SECONDARY TRANSFER SECONDARY TRANSFER
CLOSING DATE 31ST OCTOBER 2019**
It is the time for Year 6 parents to make that important decision. We are holding two sessions next week if you would like to come in and complete the application forms online. Miss Aldridge will be available if you wish to discuss your options.

Did you know? At Sulivan we have a **Speech and Language therapist** to work in partnership with us to improve the outcomes of **all** children.

Did you know? Vocabulary at age five is the **most important factor** affecting literacy at age 11

- Good language, particularly vocabulary at 13, is a strong predictor of better outcomes at GCSE
- Good communication skills are rated as the most important employability skills needed for young people entering their first job

On 1st November at 9:10am- 10:00 am we are holding a special **Parent Learning Meeting** for you to find out more about how to support your child's language skills and improve their learning. The meeting will be led by Alice Moody, Highly Specialist Speech and Language Therapist and Interim Education Speech and Language Therapy Locality Lead (Hammersmith and Fulham)

We will send out a registration form next week to book your place.
