Sullivan Parent/School Learning – EYFS and KS1

Friday 1st November 2019 at 9:15am in the Main Hall.

Supporting the development of your child's vocabulary - what you can do at home to help

Why is vocabulary so important?

- Vocabulary development at 5 years old is the most important factor affecting literacy outcomes at 11 years old.
- Language skills, particularly vocabulary, are a strong predictor of better outcomes at GCSE and employability skills.

Learning Leader: Alice Moody, Highly Specialist Speech and Language Therapist

Stay and Learn – After the workshop, KS1 Parents will be invited to join their child in class to learn alongside them in a literacy lesson.
