Chestnut	97%
Willow	95%
Maple	98%
Oak	97%
Whole School	95%

It has been a delight walking round the school seeing how the children are settled and focussed on their learning in classrooms. The children are fully engaged in their topics and excited to tell me lots of new facts!

The new School Council reps talked to the children in assembly today and were very proud to receive their badges. Their first task is to help organise the collection for Harvest Festival.

The Mayor's Cup football tournament started this week. The children have been training in preparation for their first match. Alex and Blake shared the news after the game. I was impressed with their positive attitude about their first football experiences playing in a competition. The boys' team lost their match 1:0 and the girls' team drew 1:1. Keep up the hard work!

As the weather begins to change please remember children can wear boots to school but must change into school shoes during the day.

HARVEST FESTIVAL – Friday 11th October
We are collecting for the Hammersmith and Fulham Foodbank again this year. We are asking for donations of: tinned fruit, vegetables, soup, rice pudding, long life milk and long life juice. Every donation received means a house point! Please remember to bring in a tin next week.

PARENT AND STAFF QUIZ NIGHT

We are excited about our first joint event this year. Please come along, bring a friend and enter the quiz. There will be drinks and nibbles and bring something delicious to share.

7pm for a 7:30pm start.

Email in to let us know you are coming:

10 October is World Mental Health Day

Mental health problems can affect anyone, any day of the year, but the 10th October is a great day to show your support for better mental health and start looking after your own wellbeing. At Sullivan we prioritise the well-being of everyone in our community and we are looking forward to supporting Mental Health Day by wearing a yellow accessory, like a yellow hair band, hat, socks or shoe laces. The children will be taking part in short activities every day to help us all be aware of a healthy body and a healthy mind.

We will be collecting for the charity MIND on Thursday.
