KS2 Parent Workshop- Raising Readers

How to support your child reading development KS2

### EYFS and KS1 Parent Learning Workshop

We had a very successful workshop and KS1 Stay and Learn on Friday for parents and families to learn about language development in young children. Alice Moody, Speech and Language Therapy Service, gave an excellent and informative talk about how we teach and support children at home and at school. Adults had the chance to play some word games and puzzles that can be played at home before going to class and trying them with their children in KS1.

### Nasal Flu Vaccinations- Reception- Year 6

Please return your Nasal Flu forms to the office next week. Vaccinations will take place in school on 11<sup>th</sup> November.

### This week we were learning...

Miss Aldridge was very impressed by the Year 1 and Year 2 diaries that have been written at home. In Year 3 the children made time machines using design and technology skills and excellent team work! In Year 6 are very proud of their historical biographies written about famous people in WWII.

Reception children are enjoying the story The Little Red Hen and are joining in and learning about all the characters! We were all proud of Year 5 who told us the story of the Victorians this week in their class assembly.

Earlier in the week, Year 4 went to the British Museum and were fascinated by the story telling on Greek artefacts such as vases and sculptures.

**Next week is Challenge Week!** How do you feel when given a challenge? How can we help each other to achieve our goals?
